

# VFC V-F Controls, Inc.

www.v-fcontrols.com

Manufacturers' representative and stocking distributor serving process industries in Ohio and neighboring states.

8619 Tyler Blvd.  
Mentor, OH 44060  
Phone: 440-974-7757  
Email: sales@v-fcontrols.com

**ACR Systems**  
Data loggers.

**NoShok**  
Pressure and temperature indicators, switches & transmitters; Instrument valves & manifolds.

**Brooks Instrument**  
Rotameters, thermal, coriolis mass & oval gear meters, level gauges, pressure & vacuum transmitters. Key Instruments flowmeters.

**Palmer Wahl**  
Temperature instruments.

**Burkert Fluid Control Systems**  
Solenoid and air actuated valves, process transmitters, pneumatic manifolds.

**Precision Digital**  
Digital panel meters, large displays, annunciators, controllers.

**Detcon Inc.**  
Area gas detectors.

**PR Electronics**  
Signal conditioners, isolators, IS barriers, temperature transmitters, displays.

**ECOM**  
Portable combustion gas analyzers.

**ProComSol**  
HART Communication solutions, Bluetooth and USB HART modems.

**FasTest**  
Calibration quick connectors.

**Rosemount Analytical**  
Flue gas O<sub>2</sub>, CO, and opacity monitors, pH conductivity, liquid analyzers, power positioners.

**Hoffer Flow Controls**  
Precision turbine flow meters.

**Thermal Instrument**  
Thermal mass flow meters; full line and insertion for liquids and gases.

**Kahn Instruments**  
Hygrometers, dew point transmitters.

**Thermo Electric**  
Thermocouples, RTDs, connectors.

**Kessler-Ellis Products**  
"KEP" flow computers, batch controllers, totalizers.

**Total Control Systems (TCS)**  
Positive displacement liquid flow meters. Tokheim model 682 and rotary style.

**Micronics**  
Clamp-on ultrasonic flow meters.

**Universal Flow Monitors**  
UFM vane and piston type flow rate indicators and switches. Vortex meters.

## OTHER PRODUCTS

Gas and water meters and regulators, Noreva non-slamming check valves, Pepperl + Fuchs X, Y and Z purge systems for hazardous conditions, Vickery-Simms primary elements, Veeder-Root meter registers, industrial burners and flame safety systems, Control plant paging systems, Rosemount Measurement and Micro Motion products.

## CALIBRATION AND REPAIR SERVICES

We provide ISO17025 calibration services for a wide range of instruments.

## FLOW METERING PRODUCTS

- Positive displacement
- Ultrasonic
- Mag flow
- Coriolis
- DP type
  - Orifice plates
  - Averaging pitot
  - Flow nozzles
  - Venturi
- Turbine
- Vortex
- Variable area-rotameters
- Thermal mass meters and controllers
- Open channel
- Flow switches
- Flow computers
  - Steam
  - Chilled water
  - Natural gas
- Rate meters and totalizers
- Mechanical registers and printers
- Batchers

## PRESSURE PRODUCTS

- Regulators
- Gauges
- Switches
- Transmitters
- Calibration fittings
- Controllers

## TEMPERATURE PRODUCTS

- Thermocouples and RTDs
- Thermowells
- Transmitters
- Digital thermometers
- Thermal imaging

## OIL AND GAS INDUSTRY

- Immersion tube burners
- Explosion proof combustion control systems
- Cellular tank monitoring systems
- Flow meters
- Flow computers
- Area gas detectors
- Portable combustion analyzers

## INSTRUMENTATION PRODUCTS

- Annunciators
- Data loggers
- Single loop controllers
- Signal conditioners & loop isolators
- Hazardous area
  - IS barriers
  - Purge systems
- Display products
- Wireless systems
- Calibration equipment and services
- HART communication solutions

## PROCESS ANALYZERS

- Flue gas analyzers
  - O2 analyzers
  - CO
  - Combustibles
  - Opacity
  - Portable combustible
- Humidity/dew point
- pH, conductivity, DO, turbidity, chlorine

## LIQUID LEVEL PRODUCTS

- Ultrasonic
- DP and head pressure
- Radar
- Tuning fork
- Float and displacer
- Capacitance

## VALVES

Air actuated	Control
Angle Seat	Diaphragm
Ball	Power Positioners
Check	Solenoid

## MISCELLANEOUS PRODUCTS

- Burners and flame safety systems
- Gas regulators
- Intercom/paging systems
- Vacuum Products
  - Capacitance
  - Manometers

We Accept
